In this case, the participant may have provided a 30- or 60-day notice to their landlord. Other people may provide a PO Box or the address of someone they are staying with in the area while they search for a unit. Other people have case managers that they will provide the address of who can help them complete and follow-up with paperwork.

Let me know if you need the attached document mailed to you as well or left at the front desk.

As a reminder, I won't be able to start the processing of the port request until after we receive a copy of the dated move out notice you have provided your landlord.

Thank you again for reaching out,

Dustin Flores

Hello Dustin,

My apologies, but how am I required to have a forwarding address prior to porting?

I don't understand the logic, perhaps you could clarify?

Could you provide a blank Port Request form in your response so I may submit a correct & complete form?

Thank you,

did not complete the form.

We can't process the port request for the following reasons.

1. **We do not have a set move out date for your current unit. To send your portability information to another housing agency, we must have a move out date.**
    a. This is because Homes for Good has a special policy for people when they move within our county that allows us to have a floating move out date when a person is searching within our county. Other agencies do not have this policy and require a subsidy end date in our county so they can determine a subsidy start date in the new count.
    b. Please provide Homes for Good a copy of you **dated** move out notice with your landlord.
2. **Your portability request form is not filled out completely.**
    a. You must complete the section for your forwarding address so that the receiving housing agency has your best contact information.
    b. It is best out the information for the Housing Agency you are asking our office to send your information. You can use the below link to confirm the correct Housing Agency.

This link allows you to access contact information for Housing Agencies by state.

https://www.hud.gov/program_offices/public_indian_housing/pha/contacts

Please let me know if you have any additional questions.

Thank you,

Dustin Flores

Hello Dustin,

Just verifying that you got my completed port request form from a couple weeks ago?

So do I utilize my current voucher and RTA for the new county?

Or do I wait to receive something from the new county?

Thank you,

Thank you so much, Dustin. I appreciate it.

I was going to call you here shortly from the library, but it sounds like we're on the same page now moving forward.

Can you please put together a porting packet too, **In addition to the transfer packet**, so I maximize my options when I'm looking for housing, considering my many barriers (prison, credit, ESA).

Not a participant. Not enrolled in PSU. Not receiving any assistance from STEP due to both of what I just mentioned.

Why am I having to appeal my participation in your program because of your confusion?

You have all the documents you need to give me the transfer voucher that I need ASAP. I did what I was supposed to do.

Why do I have an appeal letter in the mail?

What am I appealing?

How can I appeal your confusion?

UNFORTUNATELY I DON'T LIVE IN A SAFE ENVIRONMENT IN ORDER TO LEAVE MY ESA AT HOME BY HERSELF.

AND I ALSO UNFORTUNATELY DON'T HAVE A SECURE DEVICE IN ORDER TO HAVE A MEETING OVER THE PHONE DUE TO MY UNSECURE, UNSAFE ENVIRONMENT THAT I'VE BEEN TRYING TO LEAVE SINCE JULY. BUT THAT HOMES FOR GOOD IS ABSOLUTELY MAKING RIDICULOUS TO DO THAT UNFORTUNATELY REQUIRES A WRIT FROM COURT TO BE ENFORCED BY EPD.

I DON'T HAVE THE TIME FOR THAT.

CAN YOU PLEASE GIVE ME MY TRANSFER PAPERS IMMEDIATELY?!

I DO NOT HAVE AN ACCESSIBLE PHONE NUMBER. DO NOT LEAVE A VOICEMAIL ANYWHERE THERE IS NO NUMBER OF EXISTENCE WHERE I WOULD ACTUALLY GET A VOICEMAIL.

THIS IS MY EMAIL.

YOU HAVE MY ADDRESS.

Why are you misconstruing my words?

Why are you stating that I said that the STEP program was ending?

Can you please quote that from an email?

I highly doubt it.

And why are you mentioning coaching deadline being pushed out in another email when we have never talked about anything regarding coaching ever before ever not once.?

Could you please quote where we've spoken about coaching before?

I also highly doubt it.

Textbook obfuscation, easy documentation for court.

Is that what you're leaning at?

Are you pushing me to file a writ in court against Homes For Good to follow the law?

Homes For Good Is paying on an illegitimate contract with AG campus housing at my address.

This has been established already as of the summer.

HFG Choice in ignoring it doesn't change the fact, that it is not certified for dwelling.

Certainly, you have this information.

I've sent it on several occasions.

So are you just hoping that I forget about it?

After what these entire system has put me through for the past 6 months exhaustion is expected, but not defeat.

I already know that you're a part of the problem of systemic dysfunction.

Do you know that you're part of the problem as well?

Did you know you could be aware that you are while also being a part of the solution?

Fascinating.

If I don't receive an email by the end of the day on what it is that you need from me in order to give me my transfer documents and RTA, & enlighten me on what this coaching is that you speak of needing done by the 28th, & the DHS documentation that you need - I'm done trying to work with you, I will obviously have to serve a writ in court **so that I can get out of an illegal apartment that I terminated the tenancy of in July.**

Absolutely ridiculous.

Shame.

Homes for Good should feel embarrassed.

It's embarrassing.

Sincerely,

Documentation from DHS?

I never said the STEP program was ending...?!

I specifically said I had to drop PSU a.k.a. the STEP program ever since my entire housing situation began at the end of July.

I told you I don't have access to my telephone. Not the device, not the phone number. Not right now hopefully soon.

Also, you mentioned something in another name email about extending the deadline to the 28th for a coaching of something? Why are you not mentioning it here? Why have you not responded to that email when it has to do with a deadline, of something needing to be done this week...

Are you intentionally trying to make my life difficult and this entire situation more challenging than it is?

The attachment is the last email that you've sent prior to this & I sent you, which you have not responded to...

Please tell me what you need from me via email & attach it in one

email. I don't know what the hell you need for me and where we're at in this entire process with the "Coaching" the "DHS" the "self-certification statements" Of which I already sent to you.

I don't know what you want. I know I want to get out of here ASAP, you are preventing that. Keep doing it and I will have other means of getting out. Especially considering it seems like it's intentional obfuscation.

Give me one email telling me what is required to give me what I need to move ASAP.

Thank you.

Good morning,

I left a voicemail for you clarifying we still need the verification of the STEP program ending. Once we have that, we can work to provide you a Transfer Packet with the Request for Tenancy Approval (RTA) in it. If you are unable to get the documentation from the DHS, then please complete the attached self-certification form. Please include in the submission the date the program funding ended and the reason you were unable to provide a document from the source.

I'm not familiar with Laurelwood Duplexes, if it is a property managed by

Homes for Good, you may be able to get additional information by connecting with our front desk by calling 541-682-3755, otherwise you should connect with the property directly.

Hello Mr. Flores,

I am just checking in with my voucher and RTA to give to a perspective landlord.

Also, how do I go about getting into the Laurelwood Duplexes for those with disabilities in Florence Oregon or the MUNSEL park apartments in Florence? Are they accepting applications?

Thank you so much!

Also, for what it's worth I still not have been able to gain access to my Portland State account because I have not had a device until now & hopefully from here on out. I mention this because an award letter & correspondence with my STEP program manager was requested, but I have not been able to provide.

If you could please base my voucher information off of that requested data being suffice, as I have verified several times, I will provide the documentation as soon as possible.

It's been nearly two months without any device, due to no income. I don't even qualify for the government funding phone program anymore. They want old information that I don't have, walking through a complicated process that I have not been able to complete without having devices.

So please understand I'm doing as best as I can with facilitating my move from this location that I terminated in July. I'm just looking forward to get out of here immediately.

Please let me know how we proceed.

Thank you, Dustin.
